

Dear Parent/Carer,

We are thrilled to let you know that your child has been selected by their school to take part in South Bristol Youth's employability package, **Skills Build You**. This is a programme of three activities designed to develop key employability skills in young people.

Skills Build You includes the following activities:

- Positive Mindset workshop – this will help your child understand the importance of a positive mindset and how they can develop and apply this mindset to help them be successful in life.
- Personality Profiling workshop – this workshop will help your child to better understand themselves and their strengths, and to identify careers that may suit their personality.
- Communicate with Confidence workshop – during this workshop your child will develop their confidence and communication skills, so they feel better equipped to talk to a range of people about the things that really matter to them.

In order for your child to take part in this exciting programme, please complete the online registration form which can be found at https://southbristolyouth.org.uk/agreement_form.html?EP. This must be completed by Wednesday 19 January 2022.

If you have any questions you can contact us at comms@southbristolyouth.org.uk. We are very much looking forward to working with your child on this programme.

Best wishes,

Amy, Emily and Mark

Amy Hayhurst, Head of Programming and Staffing, South Bristol Youth

Emily Bailey, Office and Business Manager, South Bristol Youth

Mark Nixon, Project Coordinator, South Bristol Youth
